

REMARKS

This Amendment is responsive to the Office Action dated February 10, 2009. Claims 3 and 10 have been canceled by this Amendment rendering any objections to those claims moot. Claims 1-2, 5, 7-9 and 11 are currently pending.

All currently pending claims stand rejected as anticipated under 35 USC 102(b) as anticipated by U.S. Patent No. 4,486,624 to Puhl et al. ("Puhl"). According to the Office Action, Puhl discloses a "second bus connected to said controller and said display means (113; Fig. 1, Col. 3; 38-61, Col. 4; 37-61)." In response, independent claims 1 and 7 are amended to recite a mobile telephone having, inter alia, a second bus that "is not connected to a radio unit." Applicants submit that the amendment to claims 1 and 7 now distinguishes those independent claims, and each of their dependent claims, over Puhl, which shows a serial data bus (113) that is connected to the radio unit (120) by way of data interface adapter (107, 108, 109). In that regard, Puhl explains "Microprocessor 101 is also coupled to radio unit 120 directly by four control signals 114, one for powering up the radio unit, two for controlling the frequency synthesizer and one for sensing audio signals applied to microphone 122, and also **by way of a unique self-clocking serial data bus 113** and interface adapters 107-109." Col. 3, lines 56-61.

In response to the Office Action, Applicants submit replacement sheets for Figs. 3 and 4 that now designate those figures with the "Prior Art" legend. Applicants request approval of Figs. 3 and 4 as modified.

Applicants respectfully submit that this patent application, as amended, is in condition for allowance. Reconsideration and prompt allowance of this application are respectfully requested.

The Examiner is urged to telephone Applicants' undersigned counsel at the number noted below if it will advance the prosecution of this application, or with any suggestion to resolve any condition that would impede allowance. In the event that any extension of time is required, Applicants petition for that extension of time required to make this response timely. Kindly charge any additional fee, or credit any surplus, to Deposit Account No. 50-0675, Order No. 848075-0016.

Respectfully submitted,
